

# Terms of Service

**Effective date:** November 11, 2025

**Last updated:** January 31, 2026

These Terms of Service (“Terms”) govern the use of the online service **AI Book Studio**, available at <https://inlaud.ai> (the “Service”).

The Service is operated by **Individual Entrepreneur Viktor Kalakun**, registered under the laws of the Russian Federation (OGRNIP: 321565800063151, INN: 561016401202) (“Operator”, “we”, “us”).

By accessing or using the Service, you (“User”, “you”) agree to be bound by these Terms. If you do not agree with these Terms, you must not use the Service.

---

## 1. Description of the Service

1.1. The Service provides tools for:

- generating books based on user ideas or automatically generated concepts;
- editing and managing book content;
- generating cover images using artificial intelligence (subject to the selected plan);
- saving and managing projects in a user account;
- downloading generated content in TXT, PDF, DOCX, and EPUB formats.

1.2. The Service uses artificial intelligence technologies, including third-party APIs (such as OpenAI), to generate text and images.

1.3. The Service is **not a publisher** and does not commercially distribute or sell User-created works.

At the **User’s initiative**, the Service may provide the option to publish created books on public pages of the Service for informational and demonstration purposes.

Such publication:

- requires confirmation of authorship or rights by the User;
- may be subject to prior moderation by the Operator.

The Operator does not assume responsibility for the content of published materials.

---

## 2. Eligibility

2.1. The Service is intended for individuals aged **18 years or older**.

2.2. By using the Service, you confirm that you have the legal capacity to enter into these Terms.

---

## 3. Accounts and Access

3.1. Access to the Service may be provided through:

- email and password registration;
- Google authentication;
- guest access with limited functionality (no payments).

3.2. You agree to provide accurate and up-to-date information during registration.

3.3. You are responsible for maintaining the confidentiality of your login credentials and for all activities performed under your account.

3.4. The Service may collect technical data such as IP address, device and browser information for security, analytics, and functionality purposes.

---

## 4. Plans and Payments

4.1. The Service offers free and paid subscription plans (e.g., Free, Start, Pro), each with different limits and features.

4.2. Paid features are available only to registered users.

4.3. Payments are processed via third-party payment providers (currently CloudPayments). The Operator does not store users' payment card data.

4.4. Subscription pricing, billing periods, and renewal conditions are displayed in the Service interface.

4.5. Subscriptions may include automatic renewal if enabled by the User.

---

## 5. Refund Policy

5.1. Refunds are granted only in cases of a technical failure caused by the Operator where the paid service was not provided.

5.2. Refund requests must be submitted via email to [info@inlaud.ai](mailto:info@inlaud.ai).

5.3. Refunds are **not** provided for reasons such as dissatisfaction with generated content, subjective quality assessment, or change of mind, as the Service provides digital content.

---

## 6. User Content and Responsibility

6.1. All content created by the User using the Service belongs to the User.

6.2. The User is solely responsible for the content they create, generate, publish, or download using the Service.

6.3. The User acknowledges that AI-generated content:

- may contain errors, inaccuracies, or undesirable fragments;
- is provided without guarantees of quality or suitability for a specific purpose.

6.4. By publishing content on public pages of the Service, the User confirms that they are the author or hold all necessary rights to such content and assumes full responsibility for any claims by third parties.

---

## 7. Prohibited Use

The User agrees not to use the Service to create or distribute content that:

- is illegal, extremist, discriminatory, offensive, or harmful;
- is pornographic or sexually explicit;
- infringes intellectual property rights of third parties;
- violates applicable laws or regulations.

The User also agrees not to:

- bypass usage limits or technical restrictions;
- use automation, bots, or scripts without written permission;
- interfere with the operation or security of the Service.

---

## 8. Intellectual Property

8.1. The Service, its software, interface, and branding are the intellectual property of the Operator or its licensors.

8.2. The Operator does not claim ownership of User-generated content.

8.3. The User is solely responsible for how generated content is used, published, or monetized.

---

## 9. Limitation of Liability

9.1. The Service is provided on an “**as is**” and “**as available**” basis.

9.2. The Operator does not guarantee uninterrupted operation, error-free performance, or specific results from AI-generated content.

9.3. To the maximum extent permitted by law, the Operator shall not be liable for:

- any indirect or consequential damages;
  - loss of data, profits, or business opportunities;
  - actions or failures of third-party services (including AI providers or payment processors).
- 

## 10. Privacy and Data Protection

10.1. Personal data is processed in accordance with the **Privacy Policy**, available at <https://inlaud.ai/privacy>.

10.2. By using the Service, you consent to such processing.

---

## 11. Changes to the Terms

11.1. The Operator may update these Terms at any time.

11.2. Updated Terms take effect upon publication on the Service website.

11.3. Continued use of the Service after changes constitutes acceptance of the updated Terms.

---

## 12. Governing Law

12.1. These Terms are governed by the laws of the Russian Federation, unless mandatory local consumer laws provide otherwise.

---
